GRIEVANCE PROCEDURE

1. Definitions and Scope

1.1 Employees within the bargaining unit shall have the right to present grievances in accordance with the procedures prescribed in this article, except that employees in their initial probationary period, as specified in the Seniority Article, paragraphs 1.1 and 1.5, shall not have the right to grieve disciplinary action.

1.2 For the purpose of this Agreement a grievance is defined as a dispute concerning the interpretation or application of a specific term or provision of this Agreement or the regulations, rules,

directives or orders referred to in the Maintenance of Benefits Article. A grievance may be presented by a member, group of members or by the Association.

1.3A Disputes over the terms, conditions and administration of the pension and insurance programs shall not be subject to the provisions of this article.

1.3B Any disputes over the classification or allocation of new positions, or the reclassification or reallocation of existing positions, and any disputes over performance appraisals, promotions, and transfers shall be processed pursuant to existing procedure.

1.4 Any written grievance, which is submitted, must expressly specify identification of the article, clause, section and alleged violation of the contract or written regulation, as well as a statement of facts surrounding the issue and the remedial action requested.

1.5 Unless otherwise provided, the provisions of this article shall replace all preexisting grievance procedures for employees in this unit, and shall be the exclusive procedures for resolving differences which arise under this Agreement and other disputes between employees and the employer.

2. Procedure

2.1 Step 1 An employee shall present his/her grievance orally to his/her Commanding Officer within thirty (30) calendar days of the act or omission which gives rise to the grievance, or within forty-five (45) calendar days from the date when the grievant should reasonably have been expected to become aware of the event which gave rise to the grievance. The Commanding Officer shall be responsible for taking such steps as are advisable, including consultation with superiors with authority to resolve the grievance and provide a written response to the dispute within ten (10) calendar days from the date the dispute was presented. This step does not apply to suspensions without pay, demotions or dismissals.

2.2 Step 2 The employee may appeal the Step 1 decision within twenty (20) calendar days of the Step 1 decision by filing written notice with the Chief of State Police or his/her designee. He/she shall specify the reason(s) for making such appeal. The Chief of the State Police or his/her designee shall meet with the grievant, his/her representative and necessary witnesses for a review of the grievance and shall issue a written decision within twenty (20) calendar days following receipt of the Step 1 appeal. An employee may grieve a suspension without pay, demotion or dismissal by filing a written notice at this step with the Chief of State Police or his/her designee within ten (10) calendar days of the action giving rise to the grievance.

2.3 Step 3 An employee may appeal the written Step 2 decision within twenty (20) calendar days of its receipt by filing a written notice with the Office of Employee Relations. Such an appeal must be specific in stating the reasons for appealing the decision and include a copy of the Step 2 answer. A representative of the Office of Employee Relations may issue a written Step 3 decision within fourteen (14) calendar days after receipt of the written appeal or meet with the grievant and/or his/her representative and provide a written specific response within fourteen (14) calendar days following the Step 3 meeting.

2.4 Step 4 (a) In the event that an arbitrable grievance has not been satisfactorily resolved at Step 3, then a request for arbitration may be brought only by the Association through the President of the MSTA, or his/her designee, within twenty (20) calendar days from the day the Association received the Step 3 decision, by mailing a request for arbitration to the Office of Employee Relations. All communications concerning appeals and decisions at this step shall be made by personal service or by registered or certified mail. A request for arbitration shall contain the names of the department or agency and employee involved, copies of the original grievance, appeal documents and written decisions rendered at the lower steps of the

grievance procedure. Only a single grievance shall be submitted for hearing by an arbitrator at one time.

(b) Upon receipt by the employer of a notice requesting arbitration, the parties shall have five (5) calendar days to mutually agree on the selection of an arbitrator and, if unable to do so, the parties shall make joint application to the American Arbitration Association ("AAA") or the Labor Relations Connection ("LRC") and request that AAA or LRC shall within five (5) days submit a list of not less than nine (9) nor more than fifteen (15) names (but in all cases an odd number) of possible arbitrators, all of whom will have had arbitration experience in the type of case being brought to arbitration.

(c) Within fifteen (15) working days from the day of receipt of said list from AAA or LRC, the parties shall meet for the purpose of selecting an arbitrator. The parties shall select the arbitrator by alternately striking one name from the list until one name remains. The right of a party to first strike a name from the list shall be determined by lot. In the event the last name on the list is unsatisfactory to either of the parties, the matter shall then be submitted that day to AAA or LRC for selection of an impartial arbitrator within five (5) days.

(d) The arbitrator's authority shall be limited to disposing of the grievance submitted to him/her on the basis of the applicable provisions of this Agreement. He/she shall confine himself/herself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him/her, nor shall he/she submit observations or declarations of opinion which are not essential in reaching the determination. The arbitrator shall have no power or authority, directly or indirectly, to add to, subtract from, alter, or otherwise modify any provisions of this Agreement. The decision or award of the arbitrator shall be binding consistent with applicable law and this Agreement. All fees and expenses of the arbitrator shall be divided equally between the parties except that each party shall bear

the costs of preparing and presenting its own case, and except that a party canceling within seven days of arbitration for a reason other than a catastrophic event involving a primary participant in the arbitration shall bear the full cost of the arbitrator fee. No arbitrator at any time or under any circumstances shall have authority to change, adjust, or modify in whole or in part any compensation plan, wage rate or classification plan.

(e) The arbitrator shall hold the hearing at a time and place convenient to the parties within twenty (20) calendar days of his/her acceptance to act as arbitrator. The arbitrator shall issue a written decision within thirty (30) days after completion of the hearing. The arbitrator shall be bound by the rules of the American Arbitration Association or Labor Relations Connection, which are applicable to labor relations arbitrations and which are in effect at the time of the arbitration. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

3. General Provisions

3.1 All of the time limits contained in this article may be extended by mutual agreement of the parties and shall be confirmed in writing.

3.2 In no event can a grievance be taken to the next or any succeeding step of this procedure unless the employee files notice in writing to the appropriate State official within the time period specified. If the employer's representative, fails to meet the time limits, the grievance shall be considered as automatically appealed to the next step of the procedure with the exception of Step 4 arbitration.

3.3 The parties may mutually agree, when circumstances warrant, to bypass steps of the grievance procedure.

3.4 An aggrieved employee shall not suffer any loss of base pay or be required to charge leave credits as a result of processing grievances during such employee's regularly scheduled working hours, provided, however, that when such activities extend beyond such employee's scheduled working hours such time shall not be considered as time worked.

3.5 The settlement or award upon a grievance may or may not be retroactive as the equities of each case demand, but in no event shall such resolution be retroactive to a date prior to the date on which the grievant was aware of the act or omission or should reasonably have been expected to be aware of the act or omission.

3.6 The Bureau of State Police is a semi-military organization and orders must be obeyed and grievance procedures invoked later. Any member of the Bureau of State Police who fails to carry out orders or comply with the rules, regulation or instructions is subject to disciplinary action, including discharge. Normal courtesy shall be observed by all parties in the processing of grievances.

In the event that compensating time by mutual agreement is allowed in lieu of overtime payment, the parties agree that compensating time may be used and accrued consistent with the Fair Labor Standards Act.

Time during which an employee is excused from work on holidays shall be considered as time worked for the purpose of computing overtime.

ARTICLE 18

HOURS AND WORK SCHEDULES

The State will maintain the present on-call practice for non-exempt employees. They shall not be worked in excess of twelve (12) hours a day except under unusual circumstances or conditions described in the Scheduled Days Off Article. Although Patrol Sergeants are an exempt position within FLSA, they will be regularly scheduled to work the same shift as those employees they supervise.

It is understood that this work schedule may be altered to accommodate training assignments that are of a limited duration.

Other schedules will continue to be assigned based on operational need and pursuant to Article 23, Management Rights.

The State agrees to provide at least fourteen (14) days' notice for any temporary schedule changes that are required by operational needs. Schedule changes that exceed the fourteen (14) day or twenty-eight (28) day cycle, whichever is applicable, shall be considered a permanent schedule change. At least a sixty (60) day notice shall be given prior to any permanent schedule changes. Such schedule changes shall not be made on an arbitrary and capricious basis.

ARTICLE 19

LABOR/MANAGEMENT COMMITTEES

Employee Health

There is established by law (Title 5, Chapter 13, Subchapter II, Section 285-A) the State Employee Health Commission. Commission members may participate in the work of the Commission during work hours without loss of pay or benefits.

Labor Management Committee on Student Loans

A Labor/Management Committee on Student Loans comprised of one (1) representative for each participating bargaining unit appointed by the respective bargaining agent and an equal number of management members appointed by the Governor shall be established to make recommendations to the parties on options for assisting employees with student loan repayment for consideration in bargaining for the next successor agreement. Committee members may participate in the work of the committee during working hours without loss of pay or benefits.

Labor Management Committee on Standby

The parties agree to meet through Labor Management to discuss the expectations and concerns related to standby. There will be a total of four

representatives from each MSTA and Management. MSTA committee members may participate in the work of the committee during work time hours without loss of pay or benefits, including necessary travel time during the employee's regularly scheduled work hours/day to attend meetings. As a result of these discussions, the agency may make a policy change so long as the change has no impact on the bargaining agreement. Any agreements between the parties that add or modify the contract may only be entered through the Office of Employee Relations.

Labor Management Committee on Fatigue Management

The Law Enforcement Fatigue Management committee is established under this agreement to examine and establish implementation of the 80-hour limit of actual hours worked per week, as well as other Fatigue Related matters. The committee work will take place over a period not to exceed 6 months.

Parties agree that effective 6 months upon ratification of the collective bargaining agreement or upon the completion of the committee work if done any earlier, the 80-hour rule would be effective immediately. The committee goal will be to consider the situations that may arise which would benefit from clarification and creation of consistent practices as well as additional ways to address fatigue. The underlying goal is to determine the most effective manner to implement the new rule to mitigate any negative impacts that could arise, like a significant amount of inverting.

If after the 80-hour rule is implemented there arises an unforeseen substantive problem, the parties will meet to discuss a resolution. If a resolution cannot be reached, the Colonel reserves the right to determine the remedy. This remedy can be up to and including elimination of the 80-hour rule.

Nothing in this Labor Management language limits the rights of Management under the collective bargaining agreement to include, but not limited to, the right to determine the final implementation procedures.

ARTICLE 20

ARTICLE 25

MEMBERS' RIGHTS

The Chief or Deputy Chief shall be responsible to ensure that all allegations of misconduct and other violations shall be investigated. Such investigation shall be completed within a reasonable time based upon the circumstances or the alleged misconduct and the investigation. If the investigation is as a result of a complaint from the public, misconduct or other violations that come to the attention of a superior officer, the following procedure shall be followed:

Upon receipt/knowledge of an allegation of misconduct or other violations(s) by a member, the Lieutenant or Sergeant of the Office of Professional Standards (OPS) will seek to determine if there are recordings or reports related to the circumstances surrounding the allegation. The Lieutenant or Sergeant will consider several issues, including but not limited to, the following before moving forward:

- a.** nature of the allegation(s); and
- b.** history of the member(s) involved.

If deemed appropriate by the OPS Lieutenant or Sergeant, they or their designee will take steps to review the available recordings and/or reports in an effort to gain further information and insight about the allegation(s) and member's conduct.

UNFOUNDED/EXONERATION: If review of the recording(s) prove the member's actions are within policies, procedures, rules and regulations, and provide a clear and complete rebuttal of the allegations, the case will be closed as Unfounded or with the member

being Exonerated, and the designated representative of the Association will be notified.

FURTHER INVESTIGATION NEEDED: If review of the recording(s) reveals a need to continue further efforts to fully investigate the circumstances surrounding the allegations, the OPS Lieutenant or Sergeant shall provide formal notice of the investigation to the member and the designated representative of the Association pursuant to the following:

The Chief or Deputy Chief (or designated officer) shall investigate all such allegations. Such investigator shall inform any member under investigation and his/her commanding officer of the nature of the investigation before it commences. If diligent efforts to contact the member fail, the investigator shall advise the designated representatives of the Association. If the investigation is the result of an outside complaint, the Investigator shall mail written notice or e-mail notice to the member and the MSTA within fourteen (14) calendar days after providing verbal notice. The member's notice shall be sent to the member's work location. The MSTA's notice shall be sent to their business address. Sufficient information to apprise the member of the specific allegations will be provided. The investigating officer shall be allowed to interview the complainant prior to notifying the member. In the case of a third-party complainant, the investigator may also interview the actual person whom the complaint was made on behalf of. Where no probable cause is found, the investigation will terminate and the record will indicate the same in the member's personnel file.

When an investigator believes that there is reasonable cause to interview a member under investigation concerning an alleged violation of the Department's operating procedure or misconduct, the member shall be afforded forty-eight (48) hours, unless an emergency exists or such right is waived, to contact and consult privately with an attorney or other counsel of his/her own choosing before being interviewed.

When, as part of an investigation, a member is to be interviewed as a "witness only," the member shall be afforded forty-eight (48) hour notice, unless an emergency exists or such right is waived, to contact counsel of his/her own choosing before being interviewed. In instances where a member is being interviewed as a witness only, and s/he chooses to have representation present, said representation shall not be the same individual representative/counsel as the member who is the subject of the investigation unless mutually agreed to by the parties. Initial notification of the member (whether verbal or in writing) shall be made concurrently to the Association. The Chief or Deputy Chief (or designated officer) shall mail written notice or e-mail notice to the member and the MSTA within fourteen (14) calendar days after providing verbal notice. The member's notice shall be sent to the member's work location. The MSTA's notice shall be sent to its business address.

The interview of any Department member shall be at a reasonable hour, preferably when the member is on duty, and during the daylight hours, unless the course of the investigation dictates otherwise, and such interview will be conducted without unreasonable delay.

The interview shall take place at a location designated by the investigating officer and shall be at a State Police headquarters when feasible. If requested, a representative may be present at the initial interview and shall be allowed to confer privately with the employee.

The member of the Department being questioned shall be informed of the identity of all persons present during the interview. If it is known that the member of the Department being interviewed is a witness only, he/she shall be so informed. The interview shall be conducted with the maximum amount of confidentiality possible. The questions shall be specifically related to the alleged violation. If any other previously undisclosed matter is discovered which may be subject

to investigation, it shall be handled pursuant to this procedure.

If after the investigating officer has interviewed the complainant and the member in question and it is determined by the Chief or Deputy Chief that such misconduct, or other violation, is not a dismissible offense or of such magnitude that a suspension or demotion would result, the findings shall be provided to the member's commanding officer for disposition within ten (10) days of such determination, and the member so informed.

Upon completion of such investigation where probable cause exists to warrant suspension, demotion or dismissal, the results of such investigation and interviews shall be provided to the Chief or Deputy Chief. In such cases, when formal charges are preferred, such charges shall be provided the member in question in writing and a copy provided to the President of the Association. In cases where probable cause exists that a criminal offense has been committed, the member may be suspended immediately without pay pending disposition of the charges.

If the member under investigation is requested to submit to a polygraph examination, he/she will be furnished a list of the questions to be asked, sufficiently prior to the examination to enable the member to confer with counsel of his/her choosing prior to the polygraph examination. If a member is requested to submit to any other type of test, he/she shall be advised of the type of test and the member will be afforded an opportunity to obtain a similar independent test if available.

Within fifteen (15) calendar days of the completion of the investigation, the member shall be advised of the final outcome. No charges shall be brought before a Disciplinary Board or Administrative Hearing by the investigating officer unless the proper interview procedures were followed as outlined in the previous

paragraphs and probable cause was found by the investigating officer.

Failure to follow the above procedures, unless waived by the member in question, shall result in dismissal of all charges, with prejudice and destruction of all related records.

Board and Investigation and Administrative Hearings

When a personnel investigation has been completed and probable cause found, the Internal Affairs Officer shall notify the Chief or his/her Designee. If it is the determination of the Chief or his/her Designee that a Disciplinary Board should be convened or that an Administrative Hearings Officer is to be designated, he/she shall immediately notify the officer under investigation, in writing, of the nature of the charges against him/her and of the fact that such Board or Hearing is to be convened and that seventy-two (72) hours' notice will be provided prior to such Hearing convening in order that the officer may consult with representation of his/her choosing to prepare for such Hearing.

Upon receipt of such formal charges, the member in question may state in writing within twenty-four (24) hours to the Chief or Deputy Chief his/her preference as to a Disciplinary Board or Administrative Hearing Officer to hear the charges. The final determination will be made by the Chief or Deputy Chief; however, no such request for a Disciplinary Board shall be unreasonably denied.

The member involved shall have the right to be heard, and the member or his/her representative shall be allowed to participate, cross-examine and call witnesses in the member's behalf.

The Disciplinary Board shall consist of five (5) members comprised as follows: a chair who will have a rank no lower than that of Major and who shall be selected by mutual agreement among the parties; two

(2) members appointed from within the State Police organization by the member involved; two (2) members appointed by the Chief of Police from within the State Police organization.

If a member of this Department is directed to appear and answer questions before a Disciplinary Board or Administrative Hearing Officer, the following warnings shall be given the member concerned prior to the commencement of the interview.

Officer _____, you are being questioned as part of an official investigation of the Maine State Police. You will be asked questions relating to the performance of your official duties and conduct. You are entitled to assert your Fifth Amendment rights during the investigation. If you do so, you may be subject to suspension, termination or some other appropriate penalty. If you desire not to invoke the Constitutional privilege, anything said of an incriminating nature may not be used against you in a criminal proceeding.

The investigating officer will prepare cases for presentation to the Disciplinary Board.

The Chair of the Board will schedule the Hearing and arrange for all testimony to be recorded.

The Chair shall rule on any question of procedure involving the acceptability of evidence. Any evidence which is reasonably relevant to the charges shall be accepted.

The Disciplinary Board shall determine, by majority vote, whether sufficient evidence has been presented to support the charges. If the Disciplinary Board finds that the charges against the accused are supported by substantial evidence, it shall make one of the following recommendations to the Chief which may include, but not be limited to the following:

- a.** suspension without pay not to exceed 90 days, and/or

- b.** demotion
- c.** transfer
- d.** dismissal from service
- e.** appropriate lesser penalty

If finding the charges to be supported, the Disciplinary Board shall set forth its findings in writing to the Chief and the accused. A minority report may be prepared by dissenting members of the Disciplinary Board and copies provided for the Chief and the accused.

If the Disciplinary Board finds, by a majority vote, that the evidence presented is not sufficient to support the charges, the Board shall so notify the Chief and the accused in writing.

The Administrative Hearing Officer designated shall hold the rank of Major, or above, and shall hear all allegations of misconduct or other violations. The member in question shall be provided seventy-two (72) hours' notice prior to such hearing convening in order to consult with representation of his/her choosing to prepare for such Hearing.

Findings of such Administrative Hearing shall be provided in writing to the member in question and to the Chief.

The Chief will review recommendations for disciplinary action made by the Disciplinary Board or Administrative Officer, and he/she will take such action as he/she considers appropriate.

The Chief shall immediately notify the accused of his/her decision in writing.

PROMOTIONAL PROCEDURES

The State shall consult with the Association before making any changes in the promotional procedures used for selecting Corporals and Sergeants. Such consultation shall cover the nature of any changes under consideration and the timing of the implementation of any changes finally adopted.

An employee may refuse two (2) appointments from a promotional register. If the employee refuses three (3) appointments from a promotional register, his/her name shall be removed from the register.

Positions assigned to the training unit for the Maine State Police shall be allowed to utilize a Physical Assessment Test (PAT) as part of the selection process for Academy-based assignments.

ARTICLE 35

PROPERTY DAMAGE

The State shall continue to reimburse employees for personal property of reasonable value damaged, destroyed or stolen while in the performance of their duties in accordance with established procedures as long as there is a clear connection between the property damaged and work activities. Personal items which are already provided by the State (e.g. computers, cameras, weapons, etc.) and items which do not have a connection to any work-related tasks (e.g. jewelry, personal electronics, etc.) shall not be reimbursable.

ARTICLE 36

RECLASSIFICATIONS

1. Definitions. For the purposes of this Agreement the following terms are defined as follows:

(a) Classification and Reclassification. Classification and reclassification are the assignment or reassignment, respectively, of a position or group of positions to an occupational classification which is appropriate for compensation and employment purposes.

(b) Allocation and Reallocation. Allocation and reallocation are the assignment or reassignment, respectively, of a classification to the appropriate grade in the compensation plan.

2. MSTA may appeal to and binding arbitration a determination of the Director of Human Resources on the classification, reclassification, allocation or reallocation of a position or classification. Such appeal shall be made within fifteen (15) workdays of the Director of Human Resources' determination. Arbitration cases will be heard chronologically, by date of appeal, unless the parties mutually agree otherwise. The parties agree to utilize the services of an arbitrator experienced in job evaluation disputes. If the parties cannot agree on the

selection of arbitrator(s), they shall seek the assistance of the American Arbitration Association or Labor Relations Connection. The parties shall share equally the costs and expenses of the arbitrator(s) and each party shall bear the costs of preparing and presenting its own case.

3. The Arbitrator shall not assign any existing classification to a new salary grade unless there has been a significant change in duties except as provided below. The Arbitrator's decision shall be binding on:

(a) The combination or merging of classifications and the allocation of the resulting new classifications to pay grades;

(b) Reclassification or pay grade reallocation of positions the duties of which have changed since their last classification or allocation;

(c) Assignment to classifications or the establishment and pay grade allocations of new classifications for new positions;

(d) The establishment of separate classifications and pay grade allocations for positions within the same classification on the basis of significant difference in duties.

4. Except for reclassifications and reallocations in connection with a reorganization, any reclassification or reallocation decision of the Director of Human Resources or the Arbitrator or Alternate shall be effective as of the date of the written initiation of the reclassification or reallocation request by the employee, MSTA or State and shall be implemented retroactively when the funds are provided pursuant to budgetary procedures. However, if the Director of Human Resources' determination is made within twelve (12) months of the date of the written initiation of the reclassification or reallocation request, any retroactive pay will begin accruing on the date of the Director of Human Resources' determination. If the Director's determination is made more than twelve (12) months after the date of the written initiation of the reclassification or

reallocation request any retroactive pay will begin accruing as of the initiation date.

The State shall pay the employee reclassified or reallocated interest one sixth of one percent (1/6%) per month on all monies due as a result of the reclassification or reallocation from the date of the final decision until payment.

5. Reclassifications and reallocations in connection with a reorganization shall be effective on the date they are approved and implemented.

6. No employee shall be reduced in salary as a result of reclassification or reallocation.

7. An employee shall be provided with a copy of his/her job description and specifications when appointed to a position and whenever the job description and/or specifications are changed.

8. If qualifications for a classification change, affected employees currently working in the class will be grandfathered except where licensing, registration, certification or special qualifications are required by state law, federal law or court order, or except where licensing, registration, certification or special qualifications are required to obtain or maintain federal funds.

9. The provisions of this Article shall be effective as provided in the Term of Agreement Article; provided, however, that provisions of this Article shall be reopened for negotiation upon thirty (30) day written notice, or demand to reopen, given by either party when such notifying party has concluded that reopened negotiations are necessary relative to current compensation system bargaining being conducted pursuant to 26 M.R.S.A. §979-D(1)(E)(1)(g), (h) and (i). Such re-opened negotiations shall be conducted only as a part of compensation system bargaining and only pursuant to 26 M.R.S.A. §979-D(1)(E)(1)(h).

ARTICLE 37

RESPONSIBILITIES OF THE PARTIES

Each of the parties hereto acknowledges the rights and responsibilities of the other party and agrees to discharge its responsibilities under this Agreement.

The Association, its officers and representatives at all levels, and all employees, are bound to observe the provisions of this Agreement.

The State and its officers and representatives at all levels are bound to observe the provisions of this Agreement.

In addition to the responsibilities that may be provided elsewhere in this Agreement, the following shall be observed:

(a) There shall be no intimidation or coercion of anyone employed by the State into joining the Association or into continuing his/her membership therein.

(b) There shall be no interference with the right of anyone employed by the State, and within the applicable bargaining unit, to become a member of the Association or to continue his/her membership therein.

(c) The Association agrees to fulfill its duties to represent all employees in the bargaining unit and to handle grievances for all employees in the bargaining unit, not merely for its members.

(d) There shall be no discrimination, restraint or coercion against anyone employed by the State because of his/her membership or non-membership in the Association.

(e) The employees recognize that the State has a right to require from every employee efficient and economical services in the performance of his/her duties.

(f) Employees shall promptly and efficiently execute the instructions and orders of their supervisors and of other authorized executives of the State.

(g) The applicable procedures of this Agreement shall be followed for the settlement of all grievances. All grievances shall be considered carefully and processed promptly.

ARTICLE 38

RETIREMENT

The State agrees to continue to provide retirement benefits to employees pursuant to applicable statute.

ARTICLE 39

SCHEDULED DAYS OFF

Regularly scheduled days off shall not be canceled or rescheduled except in cases of emergencies, as declared by the Chief, Maine State Police, Deputy Chief or his/her designee.

When an employee has his/her day off canceled, the employee shall be paid for the actual hours worked at the appropriate rate.

ARTICLE 40

SENIORITY

1. Probationary Periods

1.1 For the purpose of administering discipline or discharge, an employee will be considered a probationary employee for a period of twelve (12) consecutive months of service beginning with the date the employee graduates from the Maine State Police post school. If a member is assigned to a pre-field training evaluation period prior to attending the Maine State Police post school, the time assigned shall be counted towards the probationary period. In no case shall the probationary period after graduating the Maine State Police post school be less than six (6) consecutive months.

1.2 For all other applications of this Agreement, an employee will be covered after a period of six (6) consecutive months of service, beginning with the employee's date of hire.

1.3 Upon completion of the six (6) consecutive months of service after graduation, employees will have their names placed on the appropriate seniority list and his/her seniority shall then be computed from the most recent date of hire.

1.4 For the purpose of layoff, recalls to work and demotions in lieu of layoff, seniority shall be considered as being from the date of entrance into the applicable affected classification, and shall be cumulative as to positions in lower rate ranges than that from which he/she is being laid off. However, time spent in project status will be calculated as part of total seniority for the purposes of layoff, recalls, demotions in lieu of layoff and Special Detail assignments.

1.5 Any ex-member who is reemployed within three (3) years of separation shall be on probation for twelve (12) months.

2. Loss of Seniority

An employee shall lose his/her seniority if he/she:

- (a)** resigns from his/her employment.
- (b)** is discharged for just cause.
- (c)** is absent from work without just cause for a period of three (3) consecutive days without notifying the appropriate State authority.
- (d)** is laid off and not recalled for work within three (3) years from the date of layoff.
- (e)** accepts a position outside of State service.
- (f)** accepts a position outside of the agency but within State service and does not return to a vacancy within the agency for a period of six (6) months beginning with the date he/she left the position in the agency.

(g) fails to notify the appropriate State authority, within five (5) calendar days of the receipt of the notice of recall, if such notice has been mailed to the last known address, of the intent to return to work, unless extenuating circumstances beyond the control of the employee prevent the employee from doing so.

(h) When an officer is suspended without pay for disciplinary reasons, the suspension will not affect the officer's seniority with the Maine State Police so far as the seniority relates to the assignment of the officer to special details and other overtime duty.

3. Layoffs

When an appointing authority determines that a reduction in force is necessary, he/she shall determine the positions which are to be abolished. An employee whose position is abolished may exercise his/her right to displace the least senior employee in his/her classification within the Bureau of the Maine State Police.

(a) The least senior employee(s) within the classification shall be laid off or may exercise his/her right to displace the least senior employee in the lower classification the employee previously held in the bargaining unit. Should the employee desire to be laid off, and not exercise his/her right to displace the least senior employee in the lower classification the employee previously held in the bargaining unit, he/she may sign a waiver attesting to his/her desire to be laid off and subject to the conditions outlined in the waiver.

(b) In those instances where the employee(s) affected in paragraph (a) cannot exercise the right to bump, such employee(s) shall be laid off.

(c) Employees to be affected by a layoff shall receive notice as soon as practicable, but at least fifteen (15) calendar days before the effective date of the layoff. Employees who are laid off as a result of other employee's bumping rights shall also be given notice as

soon as practicable, but at least seven (7) calendar days before the effective date of the layoff.

4. Recalls

4.1 Recalls to work shall be made on the basis of the most senior employee who has previously held the applicable classification shall be the first to be recalled.

4.2 Recall registers shall carry the name of a former employee for a period of three (3) years from date of layoff.

4.3 Should a job vacancy occur in a classification held by an employee who exercised the right to bump, the State must return the employee to such classification and the employee will be required to return to such original classification.

4.4 The recalled employee on layoff must report to work, to the position for which recalled, within thirteen (13) calendar days of the date of receipt of the notice of recall if such notice has been mailed to the last known address. Failure to do so shall be considered as a break in service and terminate all rights of recall.

4.5 Notices of recall shall be sent by certified mail, return receipt requested, to the employee's last known address. Employees on layoff are required to keep the appropriate State authority informed of their current address.

4.6 No new employees shall be hired until all employees on layoff status from the applicable classifications have been recalled.

5. Promotions to Supervisory Positions Outside Bargaining Unit but Within the Agency

5.1 An employee who accepts a promotion to a supervisory position outside the bargaining unit, but within the agency, shall have the right, at any time, to return to a position in the bargaining unit, provided

such return is occasioned by a layoff or a reason beyond the control of the employee.

5.2 If such employee returns to a position within the bargaining unit, he/she may exercise the right to bump the most junior employee in the highest rate range position he/she held prior to his/her promotion.

5.3 Such employee will be returned to the bargaining unit with all credited seniority at the time of his/her return, including continuous service accumulated in the supervisory position.

6. Leaves of Absence

6.1 Should an employee accept a position outside the bargaining unit and yet within State service, he/she may, within six (6) months from the date of leaving the agency, return to a vacant position he/she has previously held. In such case, the employee will be returned with credited longevity held at the time of leaving the applicable classification minus the time spent in the position outside the agency.

6.2 The aforementioned six (6) month period may be extended upon application of the employee and at the sole discretion of the appointing authority of the agency.

ARTICLE 41 **SICK LEAVE**

Sick leave shall be earned at the rate of 3.7 hours per completed two-week pay period of service. Service shall begin on the date of State employment and time on layoff, suspension or leave without pay, except as otherwise provided by law or this Agreement, shall not be counted in determining the completion of a full two-week pay period. Should the HRMS system calculate earned sick leave at a different rate, in no case shall the calculation of earned sick leave result in an amount less than the 3.7 hours identified above. The

maximum amount of sick leave which employees may accumulate shall be one hundred twenty (120) days. However, the amount of unused sick leave accruals which can be credited toward State service for retirement purposes shall continue as presently provided for by statute. When maximum limitation has been accumulated, days that would normally thereafter be earned shall lapse but shall be recorded by the appointing authority. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness. The Director of Human Resources shall grant such request unless just cause is shown to deny the request. Part-time employees employed normally the year-round and established on a regular hourly work schedule shall be allowed sick leave credits prorated on the amount of time worked.

Employees may utilize their allowance of sick leave on the basis of application approved by their respective appointing authorities and reported to the Director of Human Resources, for absences necessitated by inability to perform the duties of their positions by reason of illness or injury, by necessity for acute medical or dental care, by exposure to contagious disease under circumstances in which the health of the employees with whom associated or members of the public necessarily dealt with would be endangered by attendance on duty, or by illness in the immediate family of the employee for such periods as the attendance of the employee shall be necessary. Immediate family as used in this article shall mean the employee's spouse, or significant other, the parents of the spouse or significant other, and the parents, stepparents, guardian, children, brothers, stepbrothers, sisters, stepsisters, grandparents, grandchildren, stepchildren or wards of the employee. For the purpose of this Article, "significant other" means that a relationship exists between two people, neither of whom is married, that is intended to remain

indefinitely and where there is joint responsibility for each other's common welfare, there are significant shared financial obligations, and they must be living together in a shared primary residence. This relationship must have existed for at least six (6) continuous months before benefits under this Article may be provided. Employees are encouraged to consult with their agency-department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. Either the appointing authority or the Director of Human Resources may require such medical examination or certificate as he/she deems necessary before approving the utilization of sick leave.

All sick leave shall expire on the date of separation from State service, and no employee shall be reimbursed for sick leave outstanding at the time of termination of his/her State employment.

A former State employee who is reappointed within four (4) years of his/her separation from the service under the provisions of the personnel law and these rules, with probationary or permanent status, may have his/her previously accumulated and unused balance of sick leave revived and placed to his/her credit upon approval of the new appointing authority.

ARTICLE 42

UNIFORMS

The State shall issue such uniforms and accessory equipment as it may require members to use in the performance of their duties, including any such replacement parts thereof as may reasonably be necessary, provided, however, that nothing in this article shall excuse a member from being accountable for such uniforms and equipment as required by the rules, regulations and instructions of the Department.

The State shall pay an allowance of sixty-five dollars (\$65.00) per month to members who are required to wear uniforms, to be used toward the cost

of cleaning and maintaining uniforms and equipment which they have been issued. Members of this unit assigned to work in civilian clothes shall receive an allowance of seventy-five dollars (\$75.00) per month toward the cost of supplying and maintaining civilian clothing. In addition, the State shall pay an annual coat/shoe allowance of two hundred fifty dollars (\$250.00) to members assigned to work in civilian clothes.

These allowances shall be paid on a semiannual basis in January and July and shall be prorated for those employees who become eligible or terminate employment between the semiannual payments.

ARTICLE 43

UNION SECURITY

Within thirty (30) days following the execution of this 2019-2021 Agreement, all employees covered by the Agreement and who are not members of MSTA shall be provided and required to choose from the options of membership in MSTA or exclusion from membership.

Any employee thereafter who is or becomes covered by the Agreement and is not a member of MSTA shall be provided and required to choose from such options within thirty (30) days after such conditions are met. A failure to choose membership shall constitute a choice of exclusion from membership.

Any employee choosing the option of membership in MSTA may sign a written payroll deduction authorization form authorizing deduction from his/her pay of the membership dues from the thirtieth (30th) day following the execution of the Agreement or the day thereafter the employee becomes covered by the Agreement and such written authorization shall be irrevocable for the term of this Agreement.

Any employee choosing exclusion from membership shall be bound by such choice for the

term of the Agreement and shall be entitled to the services of MSTA under the Agreement only upon payment to MSTA of reasonable fees and costs, including reasonable fees for employee representative services and attorneys' fees, and costs and expenses, including arbitrators' fees and expenses, incurred by MSTA.

Any such employee complying with these conditions shall be entitled to MSTA services under the Agreement only on the same basis and under the same terms as MSTA members.

MSTA shall indemnify, defend and hold the State harmless against all claims and suits which may arise as a result of action taken pursuant to this article.

ARTICLE 44 **USE OF STATE VEHICLES**

1. The State agrees to insure or indemnify each bargaining unit member for personal liability up to a total amount of three hundred thousand dollars (\$300,000) per occurrence for the personal use of a State vehicle which is authorized by State Police General Order E-80. The State also agrees to provide comprehensive coverage, with a fifty-dollar (\$50.00) deductible and collision coverage with a one-hundred dollar (\$100.00) deductible, for the personal use of a State vehicle which is authorized by State Police General Order E-80.

2. The State agrees to reimburse each employee five dollars (\$5.00) per week towards the cost of keeping his/her assigned state vehicle clean and presentable to the public. This payment will be done on a semi-annual basis in January and July and shall be prorated for those employees who become eligible or terminate employment between the semi-annual payments.

ARTICLE 45

VACATION

Each employee shall earn vacation with pay on the following basis: 4.7 hours shall be earned for each completed full two-week pay period of service during the first ten (10) years of service with the State. Thereafter, provided the last three (3) years of service shall have been continuous, vacation shall be earned on the following basis: for each completed two-week pay period of service with the State, 4.7 hours shall be earned until ten (10) years shall have been completed; 5.6 hours shall be earned until fifteen (15) years shall have been completed; 6.5 hours shall be earned until twenty (20) years shall have been completed; thereafter, 7.4 hours shall be earned.

Upon implementation of HRMS, each employee who completes a full two-week period shall earn their biweekly accrual on the following basis:

Thereafter, provided the last three (3) years of service have been continuous:

- 1 through 10 years – 4.7 hours
- 11 through 15 years – 5.6 hours
- 16 through 20 years – 6.5 hours
- 20+ years – 7.4 hours

Should the HRMS system calculate earned vacation at a different rate, in no case shall the calculation of earned vacation result in an amount less than those identified above.

Service shall begin on the date of State employment, and time on layoff, suspension, or leave without pay shall not be counted in determining the date of completion of a full two-week pay period or a full year of service.

Vacations shall be granted at such time or times as shall be mutually agreeable to the employees and appointing authority involved. Employees having less

than fifteen (15) completed years of service may accumulate vacation leave to a total of two hundred sixty (260) hours. Those employees having more than fifteen (15) years of service, the last five (5) years of which have been continuous, may accumulate vacation time to a total of three hundred forty (340) hours, provided, however, that an employee who is about to lose vacation leave because of the limitation of accrual imposed by this rule, upon advance notice to the appointing authority, may within thirty (30) calendar days following absent himself/herself with the consent of his/her appointing authority to prevent the loss of such time. Continuous service for the purpose of determining eligibility for vacation leave benefits shall be defined as all uninterrupted State service, to include both classified and unclassified service employment.

An employee on military leave shall not be limited to two hundred sixty (260) hours or three hundred forty (340) hours accrual of vacation leave, whichever applies. He/she may, immediately upon his/her reinstatement from military leave, take all vacation leave in excess of two hundred sixty (260) or three hundred forty (340) hours accrued, whichever applies, with or without the consent of his/her appointing authority. In the alternative, he/she may elect to be credited with the vacation leave in excess of two hundred forty (240) or three hundred twenty (320) hours, whichever applies, but such leave shall be taken at a time determined by the appointing authority within two (2) years of the date of reinstatement.

Any employee who is separated from State service by layoff, resignation, death or otherwise, shall be paid, or shall have payment made to his/her estate, for the unused vacation leave and overtime accumulated to his/her credit.

Previously approved vacation schedules shall not be canceled except in emergencies.

ARTICLE 46

VOLUNTARY WELLNESS INITIATIVE

Members who voluntarily show proof of (a) a meeting with a mental health professional at least once annually, (b) clearance by a medical provider to participate in physical fitness testing, and (c) an annual exam that includes blood work will be eligible to participate in physical fitness testing as part of an Agency Wellness Protocol. Members must successfully meet the following minimum physical achievements to qualify for any wellness incentive payment. An employee will be tested in three different areas to be determined by the Department. In each separate test, an employee may be eligible for a one-time payment of up to one hundred dollars (\$100.00) annually with a maximum annual total incentive for all three tests of three hundred dollars (\$300.00) annually.

- To be eligible for the minimum fifty-dollars (\$50.00) stipend, an employee must meet the 60th percentile level of physical fitness testing.
- To be eligible for a seventy-five dollar (\$75.00) stipend, employees must meet the 70th percentile level of physical fitness testing.
- To be eligible for the maximum one hundred dollar (\$100.00) stipend, an employee must meet the 80th percentile of physical fitness testing.

Participation in this program is strictly voluntary. Nonparticipation will not result in any adverse employment action.

ARTICLE 47

WITHDRAWAL OF RESIGNATION

Members are required to submit a written notice of resignation to the employer at least fifteen (15)

calendar days prior to the effective date of the resignation. During the first ten (10) days of such fifteen (15) day period, the member may retract his/her resignation in writing without prejudice and the employer must accept such retraction. Any retraction submitted during the period beginning five (5) days prior to the effective date and extending through ten (10) days after the effective date may be accepted at the sole discretion of the Chief of the Maine State Police.

Members who intend to utilize accrued vacation credits and/or compensating time immediately prior to separation in lieu of a lump sum payment ("termination leave") are required to submit a written notice to the employer at least fifteen (15) calendar days prior to the first day of such "termination leave". During the fifteen (15) day notice period and the first fifteen (15) calendar days of "termination leave", the member may retract his/her resignation without prejudice and the employer must accept such retraction. Any retraction submitted fifteen (15) days after the commencement of "termination leave" may be accepted at the sole discretion of the Chief of the Maine State Police.

ARTICLE 48

WORK STOPPAGE AND SLOWDOWN

Employees within the bargaining unit, the Association, and its officers at all levels, agree that they will not instigate, promote, sponsor, condone or engage in any work stoppage, sympathy work stoppage, slowdown or any other interruption of the operations of the State.

The officers of the Association at all levels, individually and collectively, agree that it is their continuing obligation and responsibility to maintain compliance with this article, including the remaining at work during any interruption or slowdown of work which may take place.

The parties agree that the grievance procedure is the sole and exclusive means of settling grievances under this Agreement.

ARTICLE 49

WORKERS' COMPENSATION

The State shall make every possible effort to promptly pay all compensation awards in accordance with the decisions of the Workers' Compensation Commission. Upon each award of the Workers' Compensation Commission, interest shall be assessed from the date on which the petition is filed at a rate of six percent (6%) per year, provided that if the prevailing party at any time requests and obtains a continuance for a period in excess of thirty (30) days interest will be suspended for the duration of the continuance. From and after the date of the decree, interest shall be allowed at the rate of ten percent (10%) per year.

Where an employee has been unable to work for one (1) year, the employee may be terminated from his or her position. Such termination shall not be considered disciplinary in any way. If the employee later becomes capable of performing the job duties of the position from which he/she was terminated, the employee may return to that position if it is vacant. If that position is filled, unfunded, or no longer exists, then the employee shall be entitled to be placed in a vacant position, or the next available position if no such vacancy exists in the same classification within the department or agency and for which the employee is qualified, and shall be treated as if on layoff status.

If an employee who is terminated pursuant to this article is eligible for and makes application for disability retirement, the State shall continue to provide the employee's group health insurance and shall continue to pay the cost of the employee's coverage, as well as sixty percent (60%) of the dependent coverage, until the employee receives

his/her first disability retirement check or until six (6) months after the termination, whichever occurs first.

In the event that any employee who has been terminated pursuant to this article regains a work capacity and returns to work, the employee shall not lose the benefit of any prior years of State service immediately preceding his/her termination, for purposes of seniority, vacation accrual rate, restoration of sick leave credits, and longevity pay.

ARTICLE 50
